

About the Anton Paar Group

Anton Paar Group with headquarters in Graz, employs more than 4,600 people. Since 2003, the Anton Paar Group AG has been owned by the non-profit Santner Private Foundation with an exclusively charitable purpose. As a holding company, Anton Paar Group AG holds shares in **six subsidiaries**:

Anton Paar GmbH develops, produces and distributes high-precision laboratory instruments and process measuring systems, as well as customized automation and robotics solutions.

Anton Paar ShapeTec GmbH offers customer-specific solutions in sheet metal and joining technology.

24 Asset Management GmbH buys, develops and lets real estate.

Anton Paar SportsTec GmbH is specialized in the development and manufacturing of high-tech training systems for professional soccer sports.

Anton Paar ConsumerTec GmbH develops and sells measuring devices for the B2C sector.

Anton Paar Sudhaus GmbH is an employee restaurant and a two-toque evening restaurant with a show brewery on the premises of Anton Paar in Graz.

The history of the company began in 1922 in Graz (Austria) as a one-man repair workshop with master locksmith Anton Paar. In the mid-1960s, Anton Paar began developing and producing scientific measuring instruments. At the turn of the millennium, the company was already the world market leader in the fields of density and concentration measurement of liquids, measurement of dissolved carbon dioxide in beverages and in rheology.

Strong organic growth and strategic acquisitions created a globally active group of companies with a consolidated net sales revenue of 650 million euros in 2024.
